Re: Lead-Based Paint Educational Brochures

Notice: FSP-98-13

This notice transmits the Indiana Housing Finance Authority's (IHFA) revised requirements regarding the distribution of lead-based paint educational brochures to beneficiaries of CDBG or HOME assistance. A supply of Environmental Protection Agency (EPA) brochures entitled "*Protect Your Family from Lead in Your Home*" is enclosed. This brochure replaces the Indiana State Department of Health brochure entitled "*What Every Parent Should Know About Lead Levels in Children.*"

Effective July 17, 1998, the EPA brochure must be provided in addition to the HUD brochure entitled "*Lead-Based Paint – A Threat to Your Children*" to each household receiving assistance through HOME or CDBG housing programs. Documentation of each beneficiary's receipt of these brochures must be maintained throughout the affordability period and must be made available for inspection by IHFA or HUD.

Enclosed for your reference is IHFA's recently revised Lead-Based Paint Chapter from our Grantee Implementation Manual.
